

## **Brexit Statement to Customers**

August 2019

ET Enterprises Ltd. is a UK based company with manufacturing facilities in West London.

As part of our planning for Brexit we have reviewed our manufacturing operations to mitigate the risk of delayed shipments due to Brexit.

Our shipments to customers outside the UK are sent by air-freight unless otherwise agreed.

We are working closely with our shipping agents to ensure that all shipping documents contain all the necessary information to enable prompt customs clearance.

We will continue to review our procedures as more information becomes available from the UK Government.

Should you have any specific concerns then please contact us through your normal company contact.

Andy Cormack  
Managing Director  
ET Enterprises Ltd.
